ARMY RIFLE ASSOCIATION (ARA) TARGET SHOOTING COURSES 2019

Introduction

1. Target shooting and attendance on the following advertised ARA shooting courses provide an excellent sporting opportunity. Target Pistol, Smallbore, Fullbore Target Rifle and Clay Target all have transferable skills which further improve Operational Marksmanship.

Course Application Information

2. Course application details are available through the Chief Clerk at HQ ARA. Applications are to be submitted at least six weeks prior to the commencement of the course. Applicants should note that they will still be charged for the course if they cancel their attendance less than 14 days prior to the course commencing, unless it is due to operational or service reasons.

3. Service personnel are not required to become members of the Association for Target Rifle, Smallbore Rifle or Target Pistol. It is however recommended that they join the Army Target Shooting Club in order to hone their skills as this may lead to selection for the Army
